

Dear Parents and Guardians,

As part of our Ancient Greece unit, and in connection with the current **Winter Olympics 2018**, we are hosting an Olympics Celebration next week on **Wednesday and Thursday (2/14 and 2/15)**!

First, students will participate in a variety of competitive academic activities, representing their Greek city-states. Then city-state groups will take part in semi-active events. For example, like the Winter Olympics speed-skating event, students will be invited to “speed-slide” down the hallway. The first student to cross the finish line, and refrain from lifting his/her feet, wins. In addition, we will host a “ski-shoot” with students sliding quickly down a hallway “course” and scoring points by shooting balls into receptacles. Since we have a “sports” element to our games, we are requesting that you provide permission for your child to participate.

**Please sign and return the following form by Monday, 2/12. If you have any ideas and/or would like to assist with the set-up, please let us know!**

Thank you for your support!

Sincerely,  
Ms. Karis, Mr. Gray, Ms. Tsioni and Ms. Iromuanya
