WALKING TRIP PERMISSION FORM

SCHOOL YEAR: 2018-2019

Dear Parent/Guardian:

Throughout the school year, pupils are offered frequent opportunities for meaningful expanded learning experiences through field trips and first hand observations. Your permission will be requested for all field trips involving travel of any appreciable distance outside the Maplewood-South Orange communities.

Educational opportunities that complement the district curriculum and are within easy walking distance of the school will also be offered to pupils during the course of the school year. These opportunities may include trips to a local library or municipal building, an art gallery or beautiful garden or park, or observing a building under construction. Pupils will be supervised and chaperoned by adults and precautions will be taken to protect their safety and welfare.

To reduce the paperwork involved in obtaining your permission for every local walking trip, please complete this *Walking Trip Permission Form* granting approval for your child to participate in walking trip learning experiences during this school year.

Thank you.
